Elise, the owner of this house, has immigrated to Singapore for 5 years. Sitting in the old and unfamiliar balcony, she missed her hometown very much. As a fantastic DIY lover, she decided to do something to create her own leisure space to release her homesickness. Matching natural acacia wood decking tile with durable natural stone decking tile, only 2 hours installation, the old balcony has been renewed. Natural, inviting and peaceful, deep sense of Chinese style. Laying on the soft cushion and reading in the sun, Elise feels that she has her own home in this foreign country.

PROJECT OVERVIEW

Area: 16.2m²
 Balcony size: 5.4m*3m
 Product size: 30*30cm
 Favorited style: Courtyard Leisure Style
 Installation time: 2.5 hours
 Recommended tile: Solar light, ceramic decking tile

Each of us is unique, because of our individual lifestyles and circumstances. See, here is the balcony from Mike, he prefers courtyard leisure style. This design is spliced together with solar light decking tiles, PP decking tiles and ceramic decking tiles to make the words "2019", which shows to have a fresh start and have a good luck in 2019. It is pretty cool but without losing the fashion sense. Especially grows with flowers and plants, which is more colourful.

QUANTITY: 128pcs

PROJECT OVERVIEW

Area: 11.52m²
 Balcony size: 4.8m*2.4m
 Product size: 30*30cm
 Favorited style: Simple and Fashionable Style
 Installation time: 2 hours
 Recommended tile: Natural wood, ceramic decking tile

This balcony is located in Thailand, with an area of 11.52m². Larry, the owner, prefers fashionable and simple design. "If you want to enjoy life on your own balcony, Click Clack decking tile can make your dreams come true. After two hours of installation, the entire floor was completely renewed", said Larry. The solid wood and ceramic match perfectly. Complemented by simple wooden furniture, accented with greenery, it's able to refresh the boring time in an individual balcony. Making a cup of coffee, spend hours with a book, what an amazing noon time!

Simple and fashionable style balcony

PROJECT OVERVIEW

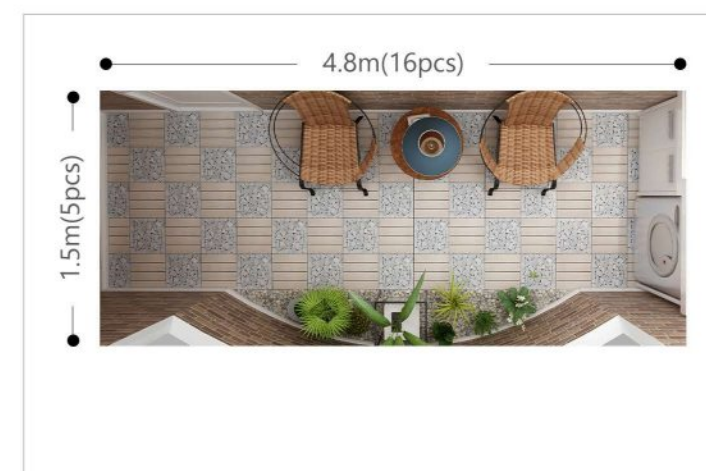

Area: 6.3m²
 Balcony size: 1.5m*4.2m
 Product size: 30*30cm
 Favorited style: Leisure and Renovation Style
 Installation time: 1 hour
 Recommended tile: Artificial grass, WPC, solar light decking tile

Iris, the owner, feels very down, because she hopes that there is a place where she can see a little starlight every night. In order to make her dream into reality, Iris changed her own balcony. She replaced the hard concrete floor with soft artificial grass, and decorated with blue solar light decking tiles by surrounded to create a star-like effect. Every night, when Iris sits on the grass in her new balcony, drinking coffee while listening to her favorite song "Vincent" --- Starry starry night, paint your palette blue and grey... feels comfortable and sincerity.

Leisure and renovation style balcony

Retro style balcony

PROJECT OVERVIEW

Area: 7.2m²
 Balcony size: 4.8m*1.5m
 Product size: 30*30cm
 Favorited style: Retro Style
 Installation time: 1 hour
 Recommended tile: WPC, natural stone decking tile

QUANTITY: 80pcs

This balcony is located in Spain, with an area of 7.2m². Lisa, the owner, is a literary youth, she likes retro style very much. She hopes to open up her own world in a narrow living space. She removes the sundries from the balcony, mixes the floor with natural stone and composite wood, and then match with wicker chairs and green plants to create a retro style literary space. There is retro element and edgy style in one place, history and fashion are both in Lisa's house. You can't believe to add the retro character into a simple balcony, just need to use Click Clack decking tile.

PROJECT OVERVIEW

Area: 7.56m²
 Balcony size: 4.2m*1.8m
 Product size: 30*30cm
 Favorited style: Casual and Rural Style
 Installation time: 1.5 hours
 Recommended tile: Natural travertine stone decking tile

It is very difficult to have a private garden of your own in the city. The owner Thomas renewed his small balcony with three different designs of natural travertine stone decking tiles. In the corner of the balcony, Thomas planted some lovely green plants and flowers. The old and boring balcony has become vibrant and rustic instantly. Looking at his lovely private garden, Thomas seems to have found the original himself whom pursue a simple and natural lifestyle and everything is so pure and fresh.

Charlie's balcony originally installed by laminate flooring has worn out due to the perennial effects of rain and sunlight. Charlie prefers to use the decking tile to renew it. He used durable natural travertine stone and ceramic tiles mixing together. After 1.5 hours of hard work, the original dilapidated balcony was finally renewed. Charlie decorated his new balcony with some fresh flowers and potted plants. There is a modern casual style which looks simple and fashionable.
